Forward-looking Statements

Some of the information or contents of this website are forward-looking, particularly those relating to the potential or projected future performance, costs, dividends, income, production levels or efficiency, prices, reserves and development of the Company; industry growth or other trends and any expected income of the Company. These forward-looking statements are not historical facts, but are instead compiled on the basis of the assumptions, estimates and projections made by the Company's management in respect of the conditions of the business in which the Company is engaged and the market conditions at the time. These forward-looking statements are not warranties for the future performance of the Company or other subsidiaries of the Sinotrans Group, and are subject to risks and other uncertainty, some of which are beyond the control or expectation of the Company.

Owing to various factors, the actual results and development may be substantially different from what is expressed or implied in the forward-looking statements. You shall not rely upon such statements which only reflect the views of the Company's management at the time. The Company takes no responsibility to update such forward-looking statements so as to reflect any events or situations which may happen subsequent to their publications.

Protection of Users' Privacy

We respect the privacy of users and shall not without the consent of the users collect any information on them. The Company undertakes that it shall not without the consent of the users disclose to any third party any e-mail, message and address of the users which comes into the knowledge of the Company in the course of or in connection with the provision of the services. Any litigation and dispute arising from this website shall be governed by the law of Indian Copyright Act 1957. Both parties agree that the Company may amend the above declaration should any part hereof become illegal as a result of any amendment to the law of Indian Copyright Act 1957.
